"set in the picturesque surroundings in the Worcestershire countryside"

MALVERN COLLEGE - 2022

NEWSLETTER 3

Dear Friends,

Welcome to our third Delegate Newsletter. Newsletters will be used to keep everyone up to date with our progress.

This summer's course will be held at the magnificent Malvern College, set in picturesque surroundings in the Worcestershire countryside from Sunday 24th July to Friday 29th July 2022.

Reminder for Dietary Requirements.

I have extended this date as I haven't had many responses to this and want to make sure i have everyone covered that needs it.

Could all delegates please email Carole at info@eibbss.org.uk if you have any dietary requirements. If I do not hear anything it will be presumed that you have no dietary requirements.

Please let me know by **Saturday 30th May 2022** so that this can be passed onto the catering department at Malvern College before the Menus are considered and approved.

Thank you in anticipation.

Reminder for Special Rooming Arrangements.

Could all delegates please email Carole at info@eibbss.org.uk if you have any special requirements to accommodate disability etc . If I do not hear anything it will be presumed that you have no requirements.

Please let me know by **Saturday 30th May 2022** so that this can be passed onto the Malvern College to organise the room plans.

Thank you in anticipation.

This year to follow on from our drive to support the environment we have had mugs produced with our new logo on them. There are 2 different designs as seen above. These can be ordered and paid for in the usual way and will be handed out on arrival on the course. See the footer on this newsletter for bank details. Please email me with details of your order. How many and which logo you require. We are selling these at £10 each.

The Foley Arms has been earmarked as a great place for evening socialising after summer school.

This is the Foley Arms and is a Wutherspoons Hotel, Pub, Restaurant and it is envisaged that this will be our social place for the week. It has two large bars. One on the ground and one on the second floor and two outdoor patio spaces, one on the ground and a large patio space upstairs overlooking the Malvern Hills views. I am sure this will be a great place to congregate in the evenings after the course finishes. It is right in the centre of town and about a 7 minute walk from Malvern College.
